

Question 1: Design an E-commerce Product Landing Page

Project Description:

Create a **product landing page** for an e-commerce website using **HTML and CSS**.

Requirements:

1. **Header Section:**
 - Add a company logo.
 - Include a fixed navigation menu with links to Home, Products, About, and Contact.
2. **Next Section:**
 - Display a featured product with a banner.
 - Include a "Buy Now" or "Shop Now" button.
3. **Product Showcase Section:**
 - Display at least **four products** in a grid format.
 - Each product should have:
 - An Image
 - Product Name
 - Price
 - "Add to Cart" button
4. **Features Section:**
 - Highlight the store's key features (e.g., **Free Shipping, Secure Payment, 24/7 Support**).
5. **Customer Reviews Section:**
 - Create a separate Customer Reviews page.
 - Each review should include:
 - Customer Name
 - Profile Picture
 - Star Rating
 - Review Text
 - Link the Customer Reviews page to the Landing Page under the "Reviews" section.
6. **Newsletter Subscription:**
 - Add an **email subscription form** for customers to receive updates.
7. **Footer Section:**
 - Include social media icons and company contact details.

Additional Features:

- Use **CSS to enhance and add hover effects** for buttons and images.
- Implement a **sticky navbar** that stays fixed at the top.
- Make the page **fully responsive** using **CSS Grid or Flexbox**.

Question 2: Design a Travel Agency Website Landing Page

Project Description:

Create a **Travel Agency Landing Page** using HTML and CSS.

Requirements:

1. Header & Navigation Bar

- Add a company logo or brand name.
- Include navigation links: Home, Destinations, Packages, About, Contact, Reviews.
- Add a booking button (e.g., "Book Now").
- Make the navigation bar sticky at the top when scrolling.

2. Next Section (Featured Destination or Offer)

- Display a **full-width background image** of a popular travel destination.
- Include a **headline, short description, and buttons** (e.g., "Explore Now", "View Packages").
- Use for dynamic visuals.

3. Popular Destinations Section

- Display at least **6 travel destinations** in a grid format.
- Each destination should include:
 - Image
 - Destination Name
 - Short description
 - "View More" button
- Use a **hover effect** for interactive visuals.

4. Travel Packages Section

- Showcase **3-4 travel packages** (e.g. **Adventure, Family Vacation**).
- Each package should include:
 - Package Name
 - Duration
 - Price
 - Inclusions (Flights, Hotels, Activities, etc.)
 - "Book Now" button

5. Customer Testimonials Page & Connection

- Create a separate Testimonials page.
- Each testimonial should include:
 - Customer Name
 - Star Rating
 - Review Text
- Link the Testimonials page to the Landing Page under the "Reviews" section.

6. Footer Section

- Include **Company Info, Social Media Links, Quick Links, and Contact Details**.
- Ensure the footer is **sticky at the bottom**.
